## KNOWLEDGE PURVIEW

User Experience Design  
Frontend Development  
Software Development Life Cycle  
Cross-Browser Compatibility  
Full Stack Development  
Agile Development

## TECHNICAL SKILLS

- Languages: JavaScript (ES6+)
- Frontend: React.js (Hooks, Context API), Material UI, HTML5, CSS3, Bootstrap, Tailwind CSS
- Backend: Node.js, Express.js
- Database: MongoDB, Firebase
- Tools & Platforms: Git, GitHub, Postman Testing, Vercel, Netlify, Render, VS Code

## SOFT SKILLS

- Analytical
- Time Management
- Innovator
- Problem Solving

## SOORYAN K

### React.js Developer

Passionate about frontend development, leveraging React.js to build scalable, interactive, and performance-optimized user interfaces that enhance user experience and engagement.

### PROFILE SUMMARY

- Driving the creation of user-focused applications by leveraging React.js to design interactive and adaptable web interfaces that substantially improve user satisfaction and interaction.
- Equipped with a diverse skill set that includes proficiency in frontend technologies, problem-solving capabilities, and a keen eye for design, ensuring the delivery of high-quality web solutions.
- Understanding of Software Development Lifecycle (SDLC) right from requirement analysis, documentation (functional specifications, technical design), coding and testing (preparation of test cases along with implementation) to maintenance of proposed applications.
- Achieved the successful delivery of a fully operational web application project, earning commendations for its user interface and performance, illustrating the skill to effectively interpret and implement client specifications into digital solutions.

### ACADEMIC DETAILS

- B.Tech in Computer Science and Engineering, LBS College of Engineering, Kasaragod, CGPA: 6.98, 2022

### PROJECT

#### PETme Web Application

- Peer-to-peer marketplace for listing pets and purchasing pet food and accessories.
- Developed RESTful APIs using Node.js and Express.js.
- Developed a dynamic, component-based frontend with React.js, using Material UI for UI components and Bootstrap for responsive design, ensuring a seamless user experience.
- Hosted the Full Stack application on Vercel.
- Technologies: React.js, Node.js, Express.js, MongoDB, Firebase, Bootstrap, Razorpay, Material UI.
- Live Project Link: <https://petmebysooryan.vercel.app>

### ACHIEVEMENTS

- Deployed PETme project on Vercel, achieving Full Stack functionality and successfully getting positive user feedback.
- Incorporated a secure Razorpay payment gateway into the PETme app, enabling smooth online transactions and boosting user trust.
- Developed a responsive design for the PETme, resulting in a significant increase in user engagement and satisfaction.

### CERTIFICATION

- MERN Full Stack Development, National Council for Technology and Training, Luminar Technolab, Kochi - 2023.

### PERSONAL DETAILS

**Date of Birth:** 6th August 2000

**Address:** Kochi - 682030, Kerala

**Languages Known:** English and Malayalam
